Whole School Attendance For Last Week – 95.7%

Dear Parents/Carers,

It was lovely to see so many Parents/Carers at the Reception class assemblies this week. Everyone was impressed with the children's work and how clearly they spoke about their trip to Bocketts Farm and the animals they had seen.

Bumblebee class had their class assembly as well and the children talked and sang songs about mini beasts. They then went outside with their parents and released the butterflies they have been watching grow in their classroom.

Also this week, Nursery and Reception had a visit from Earthsong. The children loved the multicultural music workshop and played different sized drums to a beat.

Year 2 had their last SATs this week, thanks to the staff and children for all their hard work.

To ensure the safety of the children and all pedestrians on the pavements outside the school, the issue of dangerous parking has been referred to the Local Authority Parking Enforcement. The area is now being monitored and patrolled to deter people from parking in an unsafe and obstructive way.

Best wishes,
Angela White | Headteacher

The attendance bears are awarded to the classes with the highest collective attendance.

Congratulations to the children in Squirrel class (100.00%) and Sage class (100.00%)

They won the attendance bears for last week and will be able to wear their own clothes on **Fri 26th May**.
