

Homework

Year 2, Autumn 2

Below is a list of different homework activities you can do with your child. Please aim to complete an activity a week. The activities can be recorded in your child's homework book or a photo can be taken.

Maths

- Choose a number between 10-90. Write 10 more and 10 less. Repeat with other numbers.
- Write your number bonds to 10 or to 20. Play games with them so you can learn them off by heart.
- Write addition and subtraction number sentences with a 2 digit and a 1 digit number.

Art & Design

- Create a still life picture of any fruit or flowers that you might have at home.
- Recreate the painting 'Sun flowers' by Vincent Van Gogh.

Spelling

- Practise the spellings on the next page. Write a sentence for each spelling.

Geography

- Look at an atlas or map and write a list of hot countries near the equator and cold countries far from the equator.
- Locate Somalia on a map or Google Earth. Write a list of human and physical features in Somalia e.g. rivers, mountains, coastline.

Reading

- Please read with your child each night.
- Return the book bag each week to receive a new book
- Library books will also come home each week for you to read

Science

- Research different habitats e.g. desert, ocean etc. Write sentences about living things that live in that habitat.
- Go on a walk to the woods. Draw or take photos of living things that you find there.

History

- Find out about Emmeline Pankhurst or Rosa Parks. Write facts about them.

Grammar

- Write a sentence with a verb and adverb.
- Cook something at home with a grown up. Write commands to tell someone how to make it.

Spellings

Please practise the spellings below. We have separated them into weeks to help you and your child at home.

Week 1	said, says, you, your
Week 2	where, love, one, once,
Week 3	friend, school, put, push, pull
Week 4	full, our, ask, today
Week 5	door, floor, poor, because
Week 6	find, kind, mind, behind
