

# Homework – Wriggle and Crawl

## Autumn 1

This half term we are learning all about Minibeasts.

Below is a list of different homework activities you can do with your child. Please aim to do one activity a week. Do the activities in your child's homework book or stick a photograph in. Please cover your child's book with wrapping paper and write their name on it.

### Maths:

- Practise partitioning two digit numbers into tens and ones for example: 48 is 40 and 8
- Practise counting in 2's, 5's and 10s. Do you notice a pattern?
- Play Number bond to 10 and 20 bingo!
- Practise telling the time to o'clock and half past. Can you try telling the time to quarter past and quarter to now?

### Topic:

- Go on a minibeasts hunt with your family. What minibeasts have you found?
- Use the internet or a book to research a weird and wonderful minibeast. Perhaps find out about the Borneo walking stick or the Goliath beetle. Make a poster to display amazing facts that you can show your friends at school.
- Write a list of adjectives to describe what spiders look like and a list of verbs to describe what spiders do. Use the lists to write six facts about spiders and make up a story about a spidery adventure.
- Make a non-fiction book about minibeasts. Include a title, headings, a contents page, an index, downloaded images and drawings.
- Write a letter to Miss Muffet and explain why she shouldn't be scared of spiders. Look for information online and in non-fiction books to support your ideas.

### Spellings

Please practise the spellings below. We have separated them into weeks to help you and your child at home.

Week 1	where, were, here, use, are, our
Week 2	improve, sure, sugar, eye, who, whole
