*** Limited Number of 2024 Reception Places Still Available ****

Dear Parents/Carers,

Reception children started part time this week and it has been amazing to see how quickly they have settled. We are looking forward to them coming in full time next week. The nursery have been busy having stay and play sessions to welcome their new children and parents with some fulltime children now staying.

Year 2 had a History engage day this week and the teachers each dressed up as a significant historical figure. The children learnt about these figures by sketching, excavating fossils, medieval dancing and taking part in a protest!

Year 1 also had engage day to celebrate being in their new classes and they danced, played party games and had snacks. The Centre have been using different materials to make collages of bumblebees.

Our wraparound afterschool and breakfast services are proving very popular. If you would like to book your child in please click on the link at the top of this page.

Can I remind Year 1, Year 2 and The Centre Parents/Carers that our information meetings are being held next week. Please see the section below for dates and times.

Best wishes,
Angela White | Headteacher

Year 1, Year 2 & The Centre - Parent Information Meetings

Parent Information meetings are being held next week and the week after on the following days

Tuesday 17th September - Year 1 + The Centre 9.00am and 5.00pm

PARENT & FAMILY
SUPPORT GROUP

**For parents, carers and families of a child/young person with
Autism Spectrum Disorder (aged 0-25yrs)
and those awaiting assessment for ASD**

2nd Wednesday of the Month TERM TIME ONLY 10.30 am -12 noon

Currently the group is taking place online using Zoom

Each session will aim to cover information on a specific topic as well as provide an opportunity for general support, discussion and sharing of experiences.

Previous topics have included:

- Anxiety
- Managing sensory difficulties
- Strategies to develop communication skills and emotional understanding
- Eating difficulties
- Keeping children safe & how services work with young people with disabilities
- Work experience and further education
- Adult autism services
- Sleep difficulties
- Talks by young people with ASD, and by parents/carers of young people with ASD
- Supporting siblings of children with ASD
- Puberty
- Local services and SEND Information Advice and Support Service (SENDIASS)

Parent volunteer Sally March chairs the meetings and organises the group email list.

The meetings aim to have multi-agency input from the Child & Adolescent Mental Health Service (CAMHS), Education, Educational Psychology, Speech and Language Therapy, Occupational Therapy and other services providing a valuable resource for local families.

ASD Support Group Hounslow

To receive updates and the links to access the online meetings, or to join the WhatsApp group, please email:

sally.march@blueyonder.co.uk

In providing your contact details you consent to being added to the e-mail list to hear about upcoming ASD Parent & Family Support Group sessions, and other local information. You may unsubscribe from the list at any time by letting Sally know.

Please see information below for pupils elder siblings.

Youth Mental Health Day

#ControlYourScroll

September 19th

Youth Mental Health Day seeks to start a conversation among young people about ways to improve mental health. It seeks to dispel the stigma associated with mental health and to offer hope and positivity.

#ControlYourScroll is the theme for Youth Mental Health Day 2024, which aims to provide young people with simple digital skills and mental health strategies for a positive and safe online experience.

There are many benefits that the online world offers including the ability to express creativity, maintain constant connections with peers, and quickly access entertainment and information.

In a survey of 1,025 youth, 93% stated to have experienced anxiety due to online content. Concerns around misinformation, fake news and disinformation rated highest 59%, followed by online fraud and scams 58%, cyberbullying 52% and sharing of sexual images 39%.
(Stem4 Survey)

The online world has a lot of hidden risks that young people were not exposed to a decade ago.
