

Spring 2 Homework

This is a list of activities for you to choose and enjoy doing with your child. Choose one activity a week. You do not have to do all of the activities or in a specific order.

Geography

- Draw and label famous landmarks in London (e.g. The London Eye, Big Ben, Buckingham Palace etc.)
- Use Google Earth to look at London. Try to find these famous landmarks or other key features e.g. The River Thames.

History:

- Make a collage of 'The Great Fire of London'.
- Learn facts about the 'Great Fire of London'. Record your findings.

Science:

- We are learning about measuring the wind. Make your own windsock using any materials you have at home or follow the instructions on this video: <https://www.youtube.com/watch?v=0GH87vSDRwU>
- Use your windsock to measure the wind every day for a week.

DT:

- Design and make a vehicle with some moving parts (car, bus, taxi). These moving parts could be wheels, axels or hinges.

Maths

- Practise writing numbers 11-20 as a numeral and as a word.
- Write two sets of numbers 1-10 on pieces of paper. Use them to play 'Snap' with your number bonds to 10. (E.g. 2 and 8 would be snap).
- Practise writing doubling number sentences to 10. (e.g. double 6 is 12). You could use objects to help you work out the answer.

Writing:

- Write the story of Chicken Licken or choose a different traditional tale to retell.

Practise reading and spelling tricky words:

our	there	one	out
today	here	little	love
do	water	any	many
who	friend	people	school

You could write these tricky words in a sentence to help you learn them.
