"Pupils thrive in this nurturing and supportive school" OFSTED Report, March 2024

Dear Parents/Carers,

A special Ofsted celebratory newsletter ;

The quality of education –	Outstanding
Behaviour and attitudes –	Outstanding
Personal Development –	Outstanding
Leadership and management –	Outstanding
Early years provision –	Outstanding

Overall rating - Outstanding

As I said in my email to you, only 18% of schools' have retained their Outstanding rating.

We are proud of the quotes from the report:

"Pupils thrive in this nurturing and supportive school. They benefit from positive and respectful relationships with adults and other pupils. This starts in the early years, where children learn to play well together. These strong foundations, together with clear and consistent expectations, mean that pupils' behaviour is exemplary"

"The school develops pupils 'knowledge and confidence through a rich curriculum and thoughtfully planned wider experiences. Pupils excel in all aspects of their learning. This is because the school has very high academic ambitions for all pupils, including those with special educational needs and/or disabilities (SEND)."

"Staffs expectations of all pupils, including those with SEND are consistently high.....Pupils with SEND attending the specialist provision, as well as those in the mainstream classrooms, have access to the full curriculum or an adapted curriculum that is tailored to their needs."

"Pupils behaviour around the school and attitudes to their learning are exemplary, including in early years. This is because expectations are clear and are consistently applied by staff."

"The school weaves their personal development offer through all aspects of the curriculum. There is a wide range of enrichment activities , such as visits from the police to a local artist . The busy learning curriculum provides pupils with opportunities to develop lifelong skills, such as resilience, through both indoor and outdoor provisions."

Thank you to the staff for all their hard work and well done staff, pupils and parents, for such an amazing achievement.

Best wishes,
Angela White | Headteacher
