Whole School Attendance 95.0%

Dear Parent/Carers,

Despite the cold and changeable weather, it has been a busy and productive week across the school. The children have continued to engage really well in their learning.

We are also very pleased with school attendance this week, which stands at **95%**. This is higher than the national average, and we are delighted with this positive start to the term. Thank you for prioritising attendance—please keep up the great work.

Further on in the newsletter, you will find an update on our illness guidance, including some tightened procedures relating to vomiting and diarrhoea, to help keep all children and staff safe and well.

Reminders for next week:

- **KS1 Achievement Afternoon** – Monday 2nd February, from 2.45pm
- **Busy Learning Sessions for Reception and Nursery** – Tuesday 3rd February

These sessions will give you the opportunity to see your child learning in action and explore the learning environments that support their development. We look forward to welcoming you into school.

Enjoy the weekend.

Warm regards,
Felicity Sinclair
Acting Headteacher

Needed

Nursery are going to be potting seeds to grow so if anyone has any clean plastic fruit/vegetable punnets they could let them have they would be appreciated. Please drop them off at the school office.
Thanks you

Polite Reminder – Parking

At drop-off and pick-up times please be considerate to other residents and our school rules.

- Please don't park across residents driveways
- Please don't attempt to use the school car park
- Please don't park across or block the school gates

Thank you for your cooperation and for helping us keep children safe.

Illness & Attendance Update

As part of our ongoing work to tighten attendance procedures and keep our school community safe, we are making a small but important change to our illness guidance.

Previously, children were asked to remain at home for 24 hours after vomiting. **Following NHS guidance, this has now changed to 48 hours.**

If your child has **vomiting or diarrhoea**, they must not attend school and should only return **48 hours after the last episode**. If a child becomes unwell during the school day because of either of these, parents/carers will be contacted to collect them, and the 48-hour period will begin from that time.

Absences due to illness will continue to be recorded as authorised. This change helps reduce the spread of infection and supports good attendance by keeping children well in school.

Attendance Focus

“At Feltham Hill, our vision and ethos is about developing the whole child. A key part of this is helping children feel safe, settled and ready to learn – and that starts with being in school, on time, every day.

We want every pupil to attend regularly and arrive punctually. Children who attend well are more likely to feel happy and confident, build strong friendships and make the progress they are capable of. “
