Whole School Year Attendance - 95.1%

Dear Parent/Carers,

This week, our Reception children were very lucky to welcome two special visitors as part of their learning about *people who help us*. The Fire Brigade visited with their fire engines, giving the children an exciting opportunity to see the equipment up close and learn how firefighters help to keep our community safe.

Reception were also pleased to welcome three police officers, who spoke to the children about their role and how they help people every day. The children were highly engaged and asked thoughtful questions, helping to bring their learning to life.

Next week, we look forward to welcoming parents into school so you can see how your child learns through play and to observe the learning environments that support them each day. These visits are not intended for individual discussions with class teachers.

Thank you to the parents who have attended recent attendance meetings. We really value working in partnership with you and appreciate your support in helping children to attend school regularly—working together makes a real difference to learning and wellbeing.

Enjoy the weekend.

Warm regards,
Felicity Sinclair
Acting Headteacher

Attendance Focus

“At Feltham Hill, our vision and ethos is about developing the whole child. A key part of this is helping children feel safe, settled and ready to learn – and that starts with being in school, on time, every day.

We want every pupil to attend regularly and arrive punctually. Children who attend well are more likely to feel happy and confident, build strong friendships and make the progress they are capable of. “

Illness & Attendance Update

As part of our ongoing work to tighten attendance procedures and keep our school community safe, we are making a small but important change to our illness guidance.

Previously, children were asked to remain at home for 24 hours after vomiting. **Following NHS guidance, this has now changed to 48 hours.**

If your child has **vomiting or diarrhoea**, they must not attend school and should only return **48 hours after the last episode**. If a child becomes unwell during the school day because of either of these, parents/carers will be contacted to collect them, and the 48-hour period will begin from that time.

Absences due to illness will continue to be recorded as authorised. This change helps reduce the spread of infection and supports good attendance by keeping children well in school.

School Website

Please take the time to look at our school website. It has a translate button in the top right corner which we hope will be useful to many of our parents. You will find lots of useful information on, for example;
