Whole School Year Attendance – 95.4%

Dear Parent/Carers,

It feels like a completely different school today with everyone dressed in red – thank you for your support in marking Red Nose Day! Please see the information within this newsletter for details on how to make a donation.

A big thank you to all parents who attended Parents' Evening this week. These meetings are a very important opportunity to talk with your child's class teacher about their progress and next steps. We also appreciate those who completed the parent survey – your feedback is invaluable and helps us to continue working together to improve our school. We will let you know the highlights once it has been analysed.

Next week, we will be welcoming our school governors into school for the day. This is an important part of their role, giving them the opportunity to see first-hand how the school is running and to speak with staff and pupils about their experiences.

We are also looking forward to the first of our coffee mornings, taking place on Tuesday 24th March in the small hall straight after drop-off. These sessions are a great opportunity to share information and for you to meet with the school team in a more informal setting – everyone is very welcome.

Finally, to those of you celebrating Eid today, we wish you a joyful and peaceful celebration with your families.

Warm regards,
Felicity Sinclair
Acting Headteacher

Bake Sale—Wednesday 25th March

We will be holding a Bake Sale on **Wednesday 25th March at 3:30pm** in the Year 2 playground.

To help make this a success, we kindly ask each family to donate some baked goods. This could include cupcakes, cakes, cookies or brownies. Homemade items are preferred, but shop-bought treats are also very welcome.

The class that donates the most baked goods will win a special class treat!

Please bring donations to your child's classroom from **Tuesday 24th March**, in a clearly labelled container (including your child's name and class), so that it can be returned to you.

Please note: all items must be nut-free.

Bake sale treats will be priced from £1. Cash payments are preferred. If your child attends wraparound care on Wednesday afternoon and you would like them to take part, please send money in a labelled envelope.

All funds raised will go towards purchasing equipment for the children to use at lunchtime. Thank you very much for your continued support.

Attendance Focus

“At Feltham Hill, our vision and ethos is about developing the whole child. A key part of this is helping children feel safe, settled and ready to learn – and that starts with being in school, on time, every day.

We want every pupil to attend regularly and arrive punctually. Children who attend well are more likely to feel happy and confident, build strong friendships and make the progress they are capable of. “

Illness & Attendance Update

As part of our ongoing work to tighten attendance procedures and keep our school community safe, we are making a small but important change to our illness guidance.

Previously, children were asked to remain at home for 24 hours after vomiting. **Following NHS guidance, this has now changed to 48 hours.**

If your child has **vomiting or diarrhoea**, they must not attend school and should only return **48 hours after the last episode**. If a child becomes unwell during the school day because of either of these, parents/carers will be contacted to collect them, and the 48-hour period will begin from that time.

Absences due to illness will continue to be recorded as authorised. This change helps reduce the spread of infection and supports good attendance by keeping children well in school.

👤 Online Safety Corner – Spring 2

🗨️ What Is In-App Chat? Why It's Risky for Ages 3–7

Many games and apps let players **chat or message each other** while playing. But for young children, this can be unsafe.

🚫 What is in-app chat?

- Text messages, voice chat, or emojis exchanged between players in real-time
- Can happen in games like **Roblox, Minecraft (online), or Among Us**

⚠️ Risks for young children:

- Children may talk to **strangers**, who may not be trustworthy
- Chat messages can include **inappropriate language** or scary topics
- Young children may **not understand** that strangers online can be dangerous
- Some chats may be **unmoderated** or poorly monitored

✅ How to protect your child:

- Choose games/apps with **chat turned off** or no chat feature (e.g., **Sago Mini, CBeebies apps**)
- Use parental controls to **disable chat** when possible
- Play together and explain why it's important **not to share personal information**
- Encourage children to tell an adult if someone says something upsetting.
