ON MONDAY 13TH APRIL**

**Whole School Year Attendance – 93.8%**

Dear Parent/Carers,

It has been a very busy and successful Spring term, and I would like to take this opportunity to thank you for your continued support. We are incredibly grateful for your involvement in the many events we have held this term – including our *reading with your child* sessions, parents' evenings, coffee mornings, visits into classrooms, and of course your very generous donations for this week's bake sale. Your support makes a real difference to the experiences we are able to offer the children.

We would also like to thank those parents who have made a real effort to improve their child's attendance this term. Every moment in school truly matters, and being in school every day supports your child's learning, confidence and friendships.

Looking ahead, the Summer term is always a busy and exciting one, with class trips, sports days and many other events planned. Please keep an eye out for key dates as they are shared.

Finally, for those of you celebrating over the holiday period, we wish you a happy and restful Easter break.

Thank you again for your ongoing support, and we look forward to welcoming the children back for the Summer term on Monday 13th April.

Warm regards,  
Felicity Sinclair  
Acting Headteacher

## Smart Watches

We are increasingly seeing children wearing smart watches in school. While we understand that these may be helpful for families, some devices have the ability to take photos, record audio, or connect to the internet. This can present a safeguarding risk for all children.

As our pupils are still very young, they are not always able to manage these devices appropriately or understand the importance of using them safely. For this reason, we ask that children do not wear smart watches during the school day.

If your child does come to school wearing one, they will be asked to remove it on arrival and hand it to the adult in class.

We would strongly encourage that, where possible, smart watches are not brought into school at all.

Thank you for your support in helping us to keep all children safe.

## Attendance Focus

“At Feltham Hill, our vision and ethos is about developing the whole child. A key part of this is helping children feel safe, settled and ready to learn – and that starts with being in school, on time, every day.

We want every pupil to attend regularly and arrive punctually. Children who attend well are more likely to feel happy and confident, build strong friendships and make the progress they are capable of. “

## Illness & Attendance Update

As part of our ongoing work to tighten attendance procedures and keep our school community safe, we are making a small but important change to our illness guidance.

Previously, children were asked to remain at home for 24 hours after vomiting. **Following NHS guidance, this has now changed to 48 hours.**

If your child has **vomiting or diarrhoea**, they must not attend school and should only return **48 hours after the last episode**. If a child becomes unwell during the school day because of either of these, parents/carers will be contacted to collect them, and the 48-hour period will begin from that time.

Absences due to illness will continue to be recorded as authorised. This change helps reduce the spread of infection and supports good attendance by keeping children well in school.

Please take the time to look at our school website. It has a translate button in the top right corner which we hope will be useful to many of our parents. You will find lots of useful information on, for example;
