Whole School Year Attendance – 94.4%

Dear Parents and Carers,

Welcome back! We hope you all had a restful and enjoyable Easter break. It has been a lovely start to the summer term, with lots of exciting learning already taking place across the school.

Our Nursery children had a wonderful visit from Tropical Zoo, where they were able to see and handle a range of different animals. This was a fantastic hands-on experience and supported their learning about the natural world. Reception children enjoyed their trip to Bocketts Farm, where they had the opportunity to explore the farm, meet the animals and take part in a range of engaging activities.

In Key Stage 1, both year groups have had exciting “engage days” to launch their new topics. Year 2 children dressed as monarchs and took part in a banquet, bringing their history learning to life in a memorable way. Year 1 children came to school dressed as superheroes, ready to begin their new English topic with enthusiasm and creativity.

On Thursday 23rd April, we will be celebrating St George’s Day. Children who attend Rainbows or Beavers are welcome to wear their uniforms to school on this day.

A huge thank you to everyone who donated so generously to our recent bake sale. We are delighted to share that we raised over £700, which will be used to purchase additional resources for the children.

This term, one of our key focuses as a school will be strengthening and refining some of our procedures, particularly around attendance and medical reporting. We will be sharing further information with you over the coming weeks so that everyone is clear on expectations and processes.

We are also pleased to let you know that our after-school enrichment clubs will be restarting next month. Further details, including how to sign up, will be shared in the coming weeks.

Thank you, as always, for your continued support.

Kind regards,
Felicity Sinclair
Acting Headteacher

Attendance Focus

“At Feltham Hill, our vision and ethos is about developing the whole child. A key part of this is helping children feel safe, settled and ready to learn – and that starts with being in school, on time, every day.

We want every pupil to attend regularly and arrive punctually. Children who attend well are more likely to feel happy and confident, build strong friendships and make the progress they are capable of. “

Illness & Attendance Update

As part of our ongoing work to tighten attendance procedures and keep our school community safe, we are making a small but important change to our illness guidance.

Previously, children were asked to remain at home for 24 hours after vomiting. **Following NHS guidance, this has now changed to 48 hours.**

If your child has **vomiting or diarrhoea**, they must not attend school and should only return **48 hours after the last episode**. If a child becomes unwell during the school day because of either of these, parents/carers will be contacted to collect them, and the 48-hour period will begin from that time.

Absences due to illness will continue to be recorded as authorised. This change helps reduce the spread of infection and supports good attendance by keeping children well in school.

School Website

Please take the time to look at our school website. It has a translate button in the top right corner which we hope will be useful to many of our parents. You will find lots of useful information on, for example;
