**Whole School Year Attendance – 94.2%**

Dear Parents and Carers,

This week, two of our Year 2 classes spent the day at Nower Wood. The children thoroughly enjoyed their time in the woodland, taking part in pond dipping and searching for minibeasts. It was a fantastic hands-on learning experience, and the children represented the school brilliantly. A big thank you to the parents who volunteered to support the trip—your help is very much appreciated and plays an important part in making these experiences possible. The remaining two Year 2 classes are looking forward to their visit next week.

Next Friday, we will be celebrating the 100th birthday of David Attenborough. We have spoken to the children about coming to school dressed as an animal for the day, and we are looking forward to seeing their creative ideas!

It was lovely to welcome a number of parents to the Friends of Feltham Hill coffee morning yesterday. The group has already started planning ways to support the school through fundraising, and we will share further details with you soon.

We also look forward to welcoming Reception parents next week for the class assemblies.

After many years at the school, next week we will also be saying goodbye to Mrs Maycock. She has supported many classes across Key Stage 1 and has led our lunchtime team of SMSAs with great care and dedication. I am sure you will join me in wishing her the very best in her future endeavours.

Finally, we hope you all enjoy the long weekend. We look forward to welcoming everyone back to school on **Tuesday 5th May**.

Kind regards,  
Felicity Sinclair  
Acting Headteacher

## Attendance Focus

“At Feltham Hill, our vision and ethos is about developing the whole child. A key part of this is helping children feel safe, settled and ready to learn – and that starts with being in school, on time, every day.

We want every pupil to attend regularly and arrive punctually. Children who attend well are more likely to feel happy and confident, build strong friendships and make the progress they are capable of. “

## WORLD ASTHMA DAY

Tuesday May 5<sup>th</sup> 2026

World Asthma Day is a global initiative aimed at raising awareness about asthma, a chronic respiratory, long-term lung condition affecting millions of people worldwide.

**Asthma is the most-common long-term condition for children in the UK.  
That's 3 children on average in each classroom.**

Asthma is a long-term condition & asthma can get worse over time if poorly managed.

### Asthma Reviews with your GP Practice

**Regular Asthma reviews are key to successfully managing your child's asthma at home and at school.**

An asthma review will provide you with improved and updated knowledge in managing your child's Asthma, including:

- ❖ Early recognition of symptoms
- ❖ Trigger awareness
- ❖ What to do in an emergency
- ❖ Asthma care plan for home & school
- ❖ Correct inhaler technique
