Whole School Year Attendance – 94.2%

Dear Parents/Carers,

Thank you again for the many donations that were generously given for the Milkshake and Cookie sale. The school has so far raised **£672.66**, which will go towards additional school resources. If you are interested in joining the Friends of Feltham Hill, please contact Mrs Patel via the school office. This is a lovely way to get to know other parents and build friendships within our school community.

As we come towards the end of another busy term, the children continue to work incredibly hard. This week, our Year 2 children were very proud to have their artwork displayed in the big hall as part of an art gallery exhibition.

Next week is Walk to School Week. Children will receive a sticker each day that they walk to school. Even if you need to drive, we encourage families to park a little further away and enjoy a short walk together to school.

Enjoy the weekend and we look forward to seeing everyone next week.

Parking Issues

Sadly, we have had reports of inconsiderate and dangerous parking on the pavements outside the school. This is at drop off and collection times and pedestrians and children could be hit or have to walk on the road.

Please help keep everyone safe by only parking in designated places and not on the pavement or across local residents driveways. Thank you

Years 1 & 2 —Enrichment After School Clubs

Our Enrichment after school clubs start next week however there are still a limited number of places available for the following;

Multisports (Tuesdays) — 5 places available

Book via www.parentpay.com if you would like your child to attend.

School Trips/Activities

If you have not already done so, please remember to login to your ParentPay account to pay for any school trips or activities your child will be doing this term.

Attendance Focus

“At Feltham Hill, our vision and ethos is about developing the whole child. A key part of this is helping children feel safe, settled and ready to learn – and that starts with being in school, on time, every day.

We want every pupil to attend regularly and arrive punctually. Children who attend well are more likely to feel happy and confident, build strong friendships and make the progress they are capable of. “

Illness & Attendance Update

As part of our ongoing work to tighten attendance procedures and keep our school community safe, we are making a small but important change to our illness guidance.

Previously, children were asked to remain at home for 24 hours after vomiting. **Following NHS guidance, this has now changed to 48 hours.**

If your child has **vomiting or diarrhoea**, they must not attend school and should only return **48 hours after the last episode**. If a child becomes unwell during the school day because of either of these, parents/carers will be contacted to collect them, and the 48-hour period will begin from that time.

Absences due to illness will continue to be recorded as authorised. This change helps reduce the spread of infection and supports good attendance by keeping children well in school.

Ads, Pop-Ups & In-App Purchases: What's Hiding in Those Free Games?

Common hidden pitfalls:

Ads can suddenly appear and show unsuitable content or encourage your child to click, **Pop-ups** may ask to buy in-game items or subscriptions, **One-click purchases** make it easy for children to spend money without realising

Games with many ads and purchases to watch out for:

- Toca Life World (online mode)** – Ads and “buy now” prompts
- Roblox** – Offers in-game currency purchases
- YouTube Kids** – Ads promote toys and games

How to protect your child:

Turn off **in-app purchases** in your device settings

Use **parental controls** to block or limit purchases

Talk to your child about **asking permission** before clicking on ads or buying anything

Choose apps that are **completely ad-free** or offer a paid, ad-free version

Parent Tip:

Set up a **family account** with payment methods separate from your child's device — or disable payment info entirely.
