Whole School Attendance – 94.6%

Dear Parents/Carers,

As we come to the end of another successful half term, I would like to thank all of our parents and families for your continued support. We are very grateful for the support shown at the fundraising events held this term. Through your generosity, the school has raised valuable funds which will be used to purchase additional resources for the children.

If you have some spare time and would be interested in joining the small committee of the Friends of Feltham Hill, please contact the school office. It is a lovely way to support the school community and help with future events and fundraising opportunities.

This week, the OPAL (Outdoor Play and Learning) working group met for the first time to begin planning how we can improve lunchtimes over the next few terms. We will soon be sending home a parent survey to gather your views and ideas. The children have already completed their own surveys and shared some fantastic suggestions.

We say goodbye to Miss Jones, who has been teaching in Rosemary Class. We thank Miss Jones for her contribution to the school and wish her all the very best for the future.

As we head towards the final term of the year, we are looking forward to our annual Sports Morning and the Year 2 end-of-year concerts. Please look out for further details and dates over the coming weeks.

The first week back will also be a busy one, with Monday being an INSET day for staff only and class photographs taking place on Tuesday 2nd June.

We hope you all have a wonderful week off and enjoy the sunshine. We look forward to welcoming everyone back for another exciting term.

Attendance Focus

“At Feltham Hill, our vision and ethos is about developing the whole child. A key part of this is helping children feel safe, settled and ready to learn – and that starts with being in school, on time, every day.

We want every pupil to attend regularly and arrive punctually. Children who attend well are more likely to feel happy and confident, build strong friendships and make the progress they are capable of. “

Illness & Attendance Update

As part of our ongoing work to tighten attendance procedures and keep our school community safe, we are making a small but important change to our illness guidance.

Previously, children were asked to remain at home for 24 hours after vomiting. **Following NHS guidance, this has now changed to 48 hours.**

If your child has **vomiting or diarrhoea**, they must not attend school and should only return **48 hours after the last episode**. If a child becomes unwell during the school day because of either of these, parents/carers will be contacted to collect them, and the 48-hour period will begin from that time.

Absences due to illness will continue to be recorded as authorised. This change helps reduce the spread of infection and supports good attendance by keeping children well in school.

Please take some time to look at our school website. It has a translate button in the top right corner which we hope will be useful to many of our parents.

You will find lots of useful information on, for example;
