## Whole School Attendance – 94.9%

Dear Parents/Carers,

As we begin the final half term of the academic year, there is already a great deal to look forward to. This is always a busy and exciting time as we begin preparing children for their next stage of learning and start our transition activities for September.

Next week, our Year 2 pupils will begin visiting Oakhill Academy for playtimes. These visits are an important part of helping children become familiar with their new environment and feel confident about the move to junior school in September.

Next week, our Year 1 pupils, along with some Year 2 children, will be taking part in the Phonics Screening Check. We are incredibly proud of the progress the children have made and know they will approach the assessment with confidence.

This week, Year 2 enjoyed taking part in a fascinating "Life Long Ago" workshop, where they explored fossils and learned more about prehistoric life. The children were highly engaged and asked some excellent questions throughout the session.

Class photographs were also taken this week. Proofs will be sent home shortly, giving families the opportunity to place orders if they wish.

We hope you all have a wonderful weekend and look forward to another successful and enjoyable half term ahead.

Felicity Sinclair  
Acting Headteacher

**Attendance: Congratulations to Rosemary Class (97.9%) and Squirrel class (96.5%). They can wear their own clothes on Friday 12th June.**

### The Attendance League - Who will be crowned Champions ?

As we come to the last half term of the year, it looks like a 3 horse race between Sage, Rosemary and Lavender classes.

Will another class come with a late surge to take the prizes? Lavender class already look like they've got the Lates League sewn up but things can change !

## Attendance Focus

**“At Feltham Hill, our vision and ethos is about developing the whole child. A key part of this is helping children feel safe, settled and ready to learn – and that starts with being in school, on time, every day.**

**We want every pupil to attend regularly and arrive punctually. Children who attend well are more likely to feel happy and confident, build strong friendships and make the progress they are capable of. “**
