Whole School Attendance – 94.4%

Dear Parents/Carers,

Thank you to everyone who has generously donated to our Harvest collection. Your donations will be delivered to community projects across Feltham, helping to support local families. We are very grateful for your kindness and generosity.

Next week, we will be holding our Parents' Evenings. This is a valuable opportunity to meet with your child's teacher, talk about how they have settled into the new school year, celebrate their progress and discuss any next steps for their learning. Please make sure you sign up for an appointment if you have not already done so.

Please also join us for our next **Coffee Morning on Tuesday**, which will focus on **phonics**. We will be sharing more about how phonics is taught at Feltham Hill and giving practical ideas for how you can support your child's reading at home. We would love to see you there.

This week, we also launched our new Feltham Hill Infant and Nursery Instagram page! This will give us another way to share and celebrate the wonderful learning, experiences and achievements taking place across our school and Nursery. We hope it will give families a lovely glimpse into everyday life at Feltham Hill, so please do follow us and keep an eye out for our latest updates.

Have a lovely weekend.

Kind regards,
Felicity Sinclair
Acting Headteacher

Online Safety Corner – Autumn 1

Be Safe, Beware (Ages 3–7)

Young children are curious and love screens—but they need **extra protection** online. Here are a few simple steps to help keep your child safe on devices like tablets, phones, or computers.

Set up parental controls

- Use built-in settings on iPads, Android devices, and smart TVs
- Filter out inappropriate content automatically

Use kid-friendly apps only

- Stick to trusted platforms like **CBeebies**, **Sago Mini**, **Puffin Rock**, or **Nick Jr.**
- Avoid popular games like **Roblox**, **YouTube**, or **Minecraft** (online) at this age due to unsafe features (see next issue!)

Turn off in-app purchases

- Prevent surprise charges or accidental purchases in games

Set screen time limits

- Aim for no more than **1 hour a day** of high-quality, supervised screen time

Avoid autoplay videos

- Autoplay can lead to random, scary or confusing content
- Pre-download videos or watch together

Parent Tip:

Create a "tech-free zone" during meals, family time, and bedtime to help children switch off calmly.

Playground Equipment

Please be reminded that children are not allowed to play on the playground equipment before or after school.

This is for health and safety reasons as there are no staff to supervise. We appreciate your cooperation so we can ensure all children stay safe whilst they are on our school site.

Thank you.

Dogs On The School Site

A polite reminder that dogs are not allowed on the school site even if they are being carried. Thank you for your co-operation and for helping us to avoid potential incidents.

Attendance Focus

“At Feltham Hill, our vision and ethos is about developing the whole child. A key part of this is helping children feel safe, settled and ready to learn – and that starts with being in school, on time, every day.

We want every pupil to attend regularly and arrive punctually. Children who attend well are more likely to feel happy and confident, build strong friendships and make the progress they are capable of. “
