Whole School Attendance – 94.6%

Dear Parents/Carers,

It has been a busy penultimate week before half term, with our coffee morning and parents' evenings providing lovely opportunities to meet, talk and share how the children are settling into the school year.

Thank you to everyone who spoke with our governors at Wednesday's parents' evening. The acrostic poem created from your contributions gives us a valuable picture of how our school community is feeling. We were delighted to hear that you value our excellent teachers, that your children love coming to school, and that you appreciate our inclusive approach—and our school dinners! Everyone at Feltham Hill works hard to provide the very best opportunities for your children, so your feedback means a great deal.

Next week, we will announce which class has won our half-termly attendance award and earned an own-clothes day. We will also celebrate the children who have achieved 100% attendance since September.

As the weather becomes cooler, please ensure your child brings a warm coat each day, along with suitable extra layers. Our children spend plenty of time learning outdoors, and we want them to stay warm and comfortable.

Have a lovely weekend!

Attendance Focus

“At Feltham Hill, our vision and ethos is about developing the whole child. A key part of this is helping children feel safe, settled and ready to learn – and that starts with being in school, on time, every day.

We want every pupil to attend regularly and arrive punctually. Children who attend well are more likely to feel happy and confident, build strong friendships and make the progress they are capable of. “

ROAD SAFETY

for School Drop-Off and Pick-Up

**Let's work
together to keep
our children safe.**

Every child deserves a safe journey to and from school. By driving responsibly, you help reduce congestion, improve safety, and protect the environment around your school.

Guidelines for parents:

Please follow these simple steps to make school drop-off and pick-up safer for everyone:

- Only drive to school when necessary and walk or cycle part of the journey whenever possible.
- Never allow your child to exit the vehicle onto the road where they could be exposed to traffic and other dangers.
- Do not make U-turns near school gates or crossings as they put children at serious risk.
- Never park on school zigzag lines or double yellow lines.
- Do not block driveways, pavements, or resident bays.
- Avoid leaving your engine running while parked.
- Keep to the speed limit and drive slowly near the school.
- Always watch out for children walking, scooting, or cycling.
- Set a good example for your child and others.
